WINDOW TREATMENT COMPLETE

5-YEAR PROTECTION PLAN

More Protection. Extended Coverage

In addition to coverage for certain accidental stains and damage that your manufacturer warranty will not cover, the Guardsman 5-Year Window Treatment Complete Protection Plan will fill in the gaps left by your original manufacturer warranty, giving you confidence, peace of mind, and the satisfaction of enjoying your window treatments for years to come.

COVERED STAINS & DAMAGE*

Any household stains

Breakage of clips, cords, cornice, remotes, slats, strings, tension rods, traversing tracks, and valances

Burns that are not caused by a fire

Checking, cracking, bubbling, or peeling of the finish

Mechanism malfunction

Coverage for the portion of the original manufacturer's warranty that has expired. For example, if the warranty for labor has expired but the warranty for parts remains in effect, then Guardsman will provide service required to repair your window treatment.
